## **IDOT Pausing End of Fiscal Year Payments Starting at Close of Business Tomorrow**

IRTBA has been told that pay estimates have been flowing in to IDOT over the last few weeks to get the work to date approved and paid on all contracts. As previously stated in the May 31 and June 7 editions of the *Friday Facts eNewsletter*, residents on all construction projects have been preparing for the end of fiscal year pause of contract payments.

**IDOT will officially be pausing the processing of pay estimates beginning at close of business tomorrow, Thursday, June 13.**

This pause of payments is normal procedure and occurs annually in mid-June, however the 2019 date was previously undecided. IDOT anticipates payments beginning again within the first two weeks of July.
